§ 201.193 Applications by barred individuals for consent to associate.

PRELIMINARY NOTE

This rule governs applications to the Commission by certain persons, barred by Commission order from association with brokers, dealers, municipal securities dealers, government securities brokers, government securities dealers, investment advisers, investment companies or transfer agents, for consent to become so associated. Applications made pursuant to this section must show that the proposed association would be consistent with the public interest. In addition to the information specifically required by the rule, applications should be supplemented, where appropriate, by written statements of individuals (other than the applicant) who are competent to attest to the applicant's character, employment performance, and other relevant information. Intentional misstatements or omissions of fact may constitute criminal violations of 18 U.S.C. 1001 *et seq.* and other provisions of law.

The nature of the supervision that an applicant will receive or exercise as an associated person with a registered entity is an important matter bearing upon the public interest. In meeting the burden of showing that the proposed association is consistent with the public interest, the application and supporting documentation must demonstrate that the proposed supervision, procedures, or terms and conditions of employment are reasonably designed to prevent a recurrence of the conduct that led to imposition of the bar. As an associated person, the applicant will be limited to association in a specified capacity with a particular registered entity and may also be subject to specific terms and conditions.
